

The Greenfield Business Association is proud to host the

6th Annual Green Fair

2009 Vendor Application Form

WHEN: Saturday and Sunday, April 18th and 19th, 2009, 10-5 both days
WHERE: The Better Living Show: Franklin County Fairgrounds, Greenfield, MA

THE EVENT:

Featuring environmental displays, presentations, demonstrations, kids activities, and environmentally friendly products and services. The Pioneer Valley has long been in the forefront of environmental action. This is a chance to demonstrate, sell and promote the wide range of environmentally friendly goods and services available here. This year we are again holding the Green Fair in conjunction with the Franklin County Chamber of Commerce Better Living Show. Last year's combined event brought some 5000 attendees.

PLANNED ATTRACTIONS & EVENTS

- Exhibition of Environmentally Friendly and Efficient Goods and Services, from "Green" Construction to Bio-diesel Fuel.
- Demonstrations on Energy Efficiency, Renewables, Organic Gardening, Composting and more.
- Children's Activities and Local Entertainment
- Green Home, Living, Working, Eating and Playing Products and Displays
- Fresh and Healthy Foods
- Green Education & Career Fair
- **NEW THIS YEAR: Two Day Format and Zero Waste Event**

DATES/HOURS: Sat and Sun, April 18 & 19, 10 a.m.— 5 p.m. Each vendor must remain open for the entire duration of the event. The event is held rain or shine

PROMOTION: This event will be advertised in print, radio, billboard and online. We ask that vendors consider adding our links and logos to any advertising you are doing encouraging clients to come meet you at the Green Fair! Please check box on application to have our materials sent to you.

SET UP: Vendors share space under a large 40 X 120 tent or in the educational building. A single space is 10 x 10. All vendors must be set up between 8:00 – 9:30 a.m. on Saturday. Please be on time! Volunteers will be available to help unload your vehicles in order to expedite the set-up process. Tables are available for rent. **Electricity will be available by prior arrangement only.** All equipment must be removed by 6:00 p.m. at the end of the event. Any activity deemed dangerous or questionable by event staff will be prohibited and violators will be asked to leave the site. Vendors who will be selling or sampling food will be asked to use compostable paper products as part of our new zero trash goal. We will have compost bins for food and paper waste and recycling bins for bottles and cans. Consider the environmental impact of any free give-a-ways, raffled prizes and handouts by minimizing the packaging for such items and printing handouts on double-sided, post-consumer recycled paper. Also, please call the Greenfield Board of Health to arrange for appropriate food permits at 413-772-1404.

DEADLINE/ACCEPTANCE: Applications should be postmarked by February 15th.

All products and services to be displayed must be environmentally friendly. To avoid duplication, craft and commercial applications are accepted as first come, first served. The GBA reserves the right to refuse any vendors application, and will return full space fees with rejected applications. Should you choose to withdraw your application, we reserve the right to withhold 10% of application fees and will not refund any fees after March 15th.
